Corporate Quality Graduate Program (m/f/diverse) Sept. 2019

(Job ID: 110400)

Description

The program starts on September 1, 2019 and we are hiring in our locations in Frankfurt/Main and Regensburg, Germany.

The Corporate Quality Graduate Program offers you a specialized, yet diverse and flexible start into the working life at our global company. Take the chance to be part of a multicultural and performance-oriented team while contributing to work in the central organization as well as in related different business units and plants during four six-months long assignments. Gain experience in various Quality functions which offer a wide variety of tasks and challenging opportunities, both on an operational as well as on a strategic level. By joining the program, you will get in touch with different interfaces in all business areas which follow high quality as their top priority. Early on-the-job responsibility combined with interesting international projects will turn the program into your personal adventure.

Are you ready to take on the challenge?

Requirements

- > Above-average MBA or Master degree in Engineering, Industrial Engineering and Management or adequate with preferred focus on Quality or Project Management
