

Internship Corporate Development (m/f/d)

In the Corporate Development unit, we support the Management Board and the divisions with a whole range of services: management consulting, economic evaluation and strategic planning. In addition, we offer a range of training courses, set benchmarks and make sector forecasts. With our many years of expertise and experience, we adapt each of our solutions individually to our customers.

RESPONSIBILITIES

For a period of 3-6 months, from January 2022 you will be part of our department, which will support the Board of Executive Directors of BASF in strategically aligning the Group and managing the implementation of the strategy in the business units.

- o As a valuable team member, you are involved in the implementation process of the global Group strategy and support the strategic management of the Group.
- o In the Project Management Office (PMO) of the Group Strategy, you participate in the central implementation of a global excellence program that contributes to BASF's consolidated result.
- o You create transparency through smart data analyses and conceptual visualizations, support the team in workshops with stakeholders from the business units and prepare the results for the Board of Executive Directors of BASF.

QUALIFICATIONS

- o economics or technical studies with above-average grades
- o first professional experience in an internationally renowned management consultancy or in a comparable environment
- o presentation skills in English and German
- o first experiences in stakeholder management in a large corporation
- o experienced handling of IT standard applications (Microsoft Excel, PowerPoint, Teams)

BENEFITS

You are part of the BASF team from day one. With us, you will enter into demanding areas of work and take on exciting tasks and, if possible, sub-projects in an interdisciplinary working environment. In addition, the BASF sites offer various opportunities such as guided tours or workshops to get to know BASF better. In this way, you will gain a wide range of insights and experience at the world's largest chemical company.

ABOUT US

Do you have any questions about the application process or the position? Please reach out to Susanne Reddmann, Tel.: +49 30 2005-56097
